

2015 Clock Hour Review Checklist

DHSS-approved clock hours can be verified by records that are:

- on a Program Training Report generated from OPEN's Toolbox. **Training reports can be printed from the Toolbox website. Owners or directors can receive assistance in setting up their facility's Toolbox account by viewing OPEN's website or contacting OPEN at 573-884-3373. Visit OPEN's website and access the Toolbox at www.openinitiative.org.**
- on a MOPD Registry Member Training Report from OPEN's Toolbox. **Only registry members with Toolbox accounts can print individual clock hour reports.**
- assigned a 13-character approval code from the Missouri Workshop Calendar (MWC) which can be verified by DHSS. **Ensure certificate lists 13-character approval code for quicker verification. Contact the trainer to obtain the 13-character approval number.**
- on the MWC "Online on demand" tab. **Verified by a 9-character approval code, which can be found on the MWC if not printed on certificate. Write code on certificate for quicker verification.**
- conferences listed on the MWC "Pre-approved national" tab. **Questions about national conferences or events not on this list should be directed to CCTraining@health.mo.gov.**
- Child Development Associate (CDA) credentials and Youth Development Credentials (YDC) are credited for 12 clock hours for the calendar year in which the initial or renewal certificate was received. **Copies of certificates accepted.**
- child related college credits earned and reported on a transcript from an accredited college or university. **See college credit guide, page 5.**

2016 DHSS-Approved Clock Hour Training Information

Visit the DHSS Child Care website at www.health.mo.gov/safety/childcare for updates to about clock hour training and training approval on the "Training" and "Trainer Information" links.

- Questions about clock hour training may be addressed to CCTraining@health.mo.gov.
- Documentation of clock hours is reviewed at the first inspection of the following year. Violations will be corrected when the facility provides follow up documentation confirming the completion of 12 hours of *approved* training for each staff member. Clock hours for staff beginning employment during the year are prorated to one clock hour required for every month in which the staff member was employed at least one day. Hours are not prorated for facilities operating part time or staff working part-time or intermittently.
- If a certificate is missing the 13-character approval number, the **child care provider** is responsible for contacting the trainer to inquire about the approval status of a training and to request the 13-character approval code for the training session. The **child care provider** may ask the trainer to submit a training application for retroactive approval.
- Trainers should refer to the clock hour training approval process described on the "Trainer Information" tab on the child care website at <http://health.mo.gov/safety/childcare/trainerinfo.php>.
- If the trainer chooses not to complete the approval process, that training session will not be counted.

Online On Demand Approved Training List for 2015 (Always access online training from the Missouri Workshop Calendar to ensure the current approval status of online training.)

Certificates for online on-demand trainings have a 9-character approval code for verification. Training on this list may be applied to clock hours when documented on the Toolbox training report or with a certificate issued by the training organization. This list includes 2015 approved training ONLY. Check the MWC in 2016 to determine approval status before completing training modules for clock hours in 2016.

MOPD Registry members may send online certificates to OPEN for entry only from modules marked by:  OPEN

The approval code, which will be found on the MWC’s “Online on demand” tab beginning in 2015, must be clearly written on the certificate, along with the individual’s MOPD ID number.

OPEN automatically receives “Online on demand” training completion records directly from the training organization for those modules without the OPEN logo.

Contact OPEN at 573-884-3373 for information about the MOPD Registry. Send certificates or other documentation to OPEN at: Fax: 573-884-4627 or Email: openinitiative@missouri.edu or Mail: 1400 Rock Quarry Road, Suite Q108, Columbia, MO 65211-3280.

US Dept of Ed, 21st Century Comm. Learning Ctr	Summer Institute
West Ed	Program for I/T Care (PITC) Trainer Institute
Zero to Three: Ctr on Infants, Toddlers & Families	National Training Institute

Viewing and Printing MOPD Training Reports

- Child Care Facility Specialists (CCFS) will attempt to print a facility's Program Training Report from the Toolbox website prior to the on-site inspection. Training reports can only be printed if facility director/owners set up their facility's DVN is set up on the Toolbox website so their staff records will appear on the report.
- The first step in making sure all staff records are listed on a facility's Toolbox report is for each staff person requiring clock hours to obtain a MOPD. Individuals may obtain a MOPD ID at www.mopdid.org or by contacting OPEN at 573-884-3373 or openinitiative@missouri.edu. The MOPD ID should be given to the trainer or entered when taking online training, if requested, to create the electronic record of the training attended.
- **Owners or directors can receive assistance in setting up their facility's Toolbox account by viewing OPEN's website or contacting OPEN at 573-884-3373. Visit OPEN's website and access the Toolbox at www.openinitiative.org.** The provider is not *required* to set up the facility (DVN) in the Toolbox, but it is necessary to view the facility's staff training records.
- Training records will only be visible in the Toolbox if the DVN has been set up on the Toolbox website, or if an individual is a MOPD Registry Member, they may print their personal training report.

Child-related College Credits

College credits must appear on an official college transcript issued by an accredited college or university. A copy of an official transcript will be accepted.

MOPD Registry members may email, mail, or fax official college transcripts (copies accepted) to OPEN for entry into the registry member's record. Fax: 573-884-4627 Email: openinitiative@missouri.edu Mail: 1400 Rock Quarry Road, Suite Q108, Columbia, MO 65211-3280. Contact OPEN with Registry questions at 573-884-3373.

Generally, most courses in the following areas will be accepted for clock hour training:

ECE – Early Childhood Education

EDU – Education - Elementary or Middle School only (*Secondary/High School not accepted*)

HDFS – Human Development and Family Studies (child-related only)

CDFS – Child Development and Family Studies (child-related only)

Some courses, such as Child Psychology, may be listed in the Psychology (PSY) area or another area outside of those listed above. If it is unquestionably child related, it will be counted toward clock hours.

The courses below are samples of accepted child-related courses. To inquire if a course will be accepted for clock hours, email the department/course code, course description, and the name, city, and state of the institution to CCTraining@health.mo.gov.

Child/Adolescent Growth and Development

Child Development
Principles of Development in Early Childhood
Introduction to Early Childhood Special Education
Emergent Language/Literacy in Early Childhood
Normal Language Acquisition
Child Psychology
Educational Psychology

Learning Environment and Curriculum

Art for Elementary Teachers
Elementary School Music
Music for the Classroom Teacher
Curriculum Development for Early Childhood Professionals
Curriculum for Early Childhood Education
Introduction to Elementary Education
Math Methods for Elementary Teachers
Physical Education for Elementary Teachers
Creative Movement for Early Childhood
Aiding: Kindergarten
Supervised Teaching – Elementary Student Teaching – Special Education
Children's Literature
Foundations of Reading Instruction
Teaching Social Studies in Elementary School
Science Methods for Elementary Teachers
Communication Disorders
Special Education

Learning Environment and Curriculum (continued)

Special Education
Technology in the Classroom

Counseling Parents of Exceptional Children
Teacher/Parent Interactions
Utilizing Community/Family Resources
Parent-Child Relations Family Counseling

Health Safety and Nutrition

First Aid Nutrition, Health & Safety
Health Education for Elementary Teachers
Child Abuse Intervention

Interactions with Children/Youth

Counseling Psychology

Program Planning and Development

Elementary Administration
Management of Child Care Centers

Professional Development and Leadership

Child & Family Advocacy

CLOCK HOUR TRAINING CREDIT: One (1) college credit equals fifteen (15) clock hours. Clock hours may not be carried over to the following year.

HALF-CREDIT COURSES: SCCR will count college courses that are partially child-related for half credit. These courses include General Psychology, General Sociology, Lifespan Human Development, and others. To inquire if a course will be accepted for clock hours, email the department/course code, course description, and the name, city, and state of the institution to CCTraining@health.mo.gov.
