

Child Care Aware of Missouri, DESE – Early Learning, DESE – Extended Learning, DHSS-Section for Child Care Regulation, OPEN, Missouri AfterSchool Network

This is how the system works for in-person and scheduled online training sessions:

**IF** a MOPD ID and a DVN are linked, then DHSS or DSS staff can look at the training data on the **program training report**.  
  
 This is a necessary step in the electronic training tracking process!

**IF** an individual with a MOPD ID joins the MOPD Registry they can access an **individual training report**.

**IF** an individual has a **Toolbox account** and **Program Level Access**, they can access the **program training report**.

Inaccurate MOPD ID data or not having a MOPD ID associated with a DVN will **NOT** allow the system to work correctly.

This is how the system works for online, on demand training sessions:
