

What training data is provided to OPEN electronically?

In-person Trainings:

OPEN receives training attendance data from in-person trainings from the Missouri Workshop Calendar **weekly**.

Note: Only training events where the trainer has archived training attendance will be submitted to OPEN.

Online, On Demand Training completion data from the following training providers:

- Healthy Child Care America
- National Alliance Strengthening Families
- FEMA
- MU – Thompson Center
- MO Kids First – MO Child Abuse/Neglect Mandated Reporter
- DSS - Child Care Subsidy Orientation (**only if completed 3/15/18 or earlier**)
- Texas A&M

**Upload the printed training certificate to the [Missouri Workshop Calendar](#). Your training data will be sent with the next weekly submission from the Missouri Workshop Calendar to the OPEN Initiative.*

Online, On Demand Training completion data from the following training providers are sent to OPEN **weekly**:

- Department of Social Services
- Department of Health and Senior Services – Section for Childcare Regulation
- Bright Minds

Online, On Demand Training completion data from the following training providers are sent to OPEN **monthly**:

Note: Data received are for the previous month; for example, a submission in June would contain data for training completed in May.

- Air Child Care Training Solutions
- Bertelsen Education
- Better Kid Care/Penn State University
- Care Courses
- Child Care Lounge
- ChildCare Education Institute
- Continued
- CypherWorx
- Department of Health and Senior Services – Bureau of Community Health and Wellness
- Early Childhood Academy
- Early Sprouts/Keene State College
- Institute for Professional Development
- Missouri Afterschool Network (MASN)
- ProSolutions
- Smart Horizons
- Transforming Early Childhood Education
- Boys and Girls Club – St. Louis
- YMCA of Greater St. Louis

If a correct and valid MOPD ID is NOT provided at the time of the training, DO NOT expect the training to show up on an individual or program training report. Providing a correct MOPD ID is the responsibility of the professional; not the responsibility of the trainer, the program director, the Missouri Workshop Calendar, or the OPEN Initiative.
